

# The Ohio District of Key Club International is starting a fundraiser, and we need your help!

We're partnering with the Thirst Project to help END the global water crisis!

Over **600 million** people do not have access to **safe, clean drinking water!**

But we can change all of that! In fact, we already have been!

Since 2008, the Thirst Project has raised over 10 million dollars and **provided hundreds of thousands of people from 13 different countries with safe, clean drinking water.**

It only takes **\$25 dollars to give ONE person clean water for LIFE**, and \$12,000 funds an entire freshwater well for a community in need.

If you want to have an impact, donate to our page (Link in Bio) because **everyone deserves clean water.**

The logo for the Thirst Project features the word "thirst" in a large, lowercase, teal font. A stylized water droplet is positioned above the letter "i". Below "thirst", the word "PROJECT" is written in a smaller, uppercase, teal font. The background of the logo area consists of light blue wavy lines representing water.

**thirst**
